

LOWER SCHOOL CHAPEL ETIQUETTE

Welcome to Lower School Chapel. As the students enter, you will observe that they have been guided to find that stillness inside themselves during this time of worship. You can help to create and sustain this “holy space” in the following ways:

- **Dispose of food and drinks and turn off cell phones/pagers before entering the gym**
- **Reserve the bottom row of bleachers for teachers so that they are best able to supervise their students**
- **Observe silence when the music begins or when the first class enters, whichever comes first**
- **Allow your child to enter as a member of his/her class—refrain from distracting them by waving or calling to them.**
- **Kindly step outside with a younger sibling if he or she is distracting the students from worship.**
- **Following the recessional, please allow your student to leave as part of his/her class. You can do this by saying your good-byes when you drop them off in the morning, and remaining in your seat as the teachers lead classes back to their classroom.**
- **Refrain from relaying messages to classroom teachers during this time.**

Thank you for joining us and for helping us preserve the integrity of this special gathering as a school community.
